

## Copyright Transfer Statement

### Liability of authorship, financial disclosure and copyright transfer

Each author must read the following statements; if necessary, photocopy this document and distribute it to the co-authors.

#### DECLARATIONS

Each author guarantees that his submission to the Opera is original and that he has full power to enter into this agreement. Neither this Work nor a similar work has been published elsewhere in any language to any person who may hold, even partially, the rights. Each author also accepts that the TG04 / RN22 web platform (SoRU web platform) will not be held legally responsible for any claims for compensation.

Authors wishing to include images and text passages that have already been published elsewhere are required to obtain permission from copyright holders and include proof that such permission has been granted in the mailing submission of their materials. Any material received without such evidence will be assumed to be from the authors.

The author or authors will be held responsible for false statements or failure to comply with the above requirements.

#### TRANSFER OF COPYRIGHT

The authors authorize SoRU web platform to post online text, images, video, audio or any other form of expression compatible with online publication. The publication may take place through the website and any other tool or social media belonging to or used within the aforementioned platform.

Each author certifies that they have no commercial associations (e.g. consultancy companies, ownership of shares, shareholdings, patent / license agreements, etc.) which could constitute a conflict of interest in relation to the material presented.

The author or authors, upon sending by computer (e-mail or other sharing / uploading system) of the elaborate (text, video, audio or images) implicitly authorize its publication on the SoRU web platform and on the IT tools / accounts related to it or attributable to it (Youtube, Instagram, Facebook, Twitter, Discord ... and any other future systems).

They also authorize the sharing for educational and research purposes, with all users of the same web platform.

SoRU web platform does not authorize the use of the documents published for commercial purposes or from which a profit could be derived.

For these purposes, the authors must be specifically requested to inform them with reference to the rules governing these activities. SoRU web platform cannot be held liable for any fraudulent use of the documents (of any type or form) by third parties, towards which it can proceed legally, if necessary.
